**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition must remain in Internet provider options. I am currently getting Internet speeds that are eight times faster than I was getting prior to Sonics arrival in my area, and currently paying roughly 60% of what I was paying before. If Comcast were the only option, this would not have been possible, and I would be paying much more for much less.
